Comfort Performance Twill

With its elegant sheen and distinctive diagonal twill weave, Comfort Performance is a high-performance, hard-wearing and contemporary professional suit cut from a wool stretch cloth. The two-way stretch makes it comfortable to wear and extra shrink-resistant for that professional appearance all day at work. The Comfort Performance suit is conveniently washable in an ordinary washing machine.

Core Ultimate Fine Twill

Our Core Ultimate suit is an urban-style corporate and business suit cut from wool stretch cloth. The weave features ultrafine yarns for a subtler, more tailored feeling. The lightweight, dense weave of a superior twill rib cloth feels extra cool and comfortable to wear, and is equally robust and shrink-resistant. The two-way stretch cloth complements the suit's elegant cut for a professional appearance all day at work.

The certification ensures us that the wool used come from farms where the sheep are protected and given freedom from hunger and thirst, discomfort, pain, injury and disease, fear, distress and freedom to express normal behavior. It also ensures that the land used for farming promote healthy soil, biodiversity and protect native species.

Supreme Superwool RWS Hopsack

With its discreet minimalist texture, Supreme Superwool is a contemporary suit cut from merino wool cloth. The double-plain weave, or hopsack weave, features black accents in the grey or blue yarn. With its tailored elegance and effortless Scandinavian cool, this suit is appropriate for every setting and occasion. The twin-spun yarns make our Supreme Superwool suit extra durable and shrink-resistant, yet also soft and supple.

The certification ensures us that the wool used come from farms where the sheep are protected and given freedom from hunger and thirst, discomfort, pain, injury and disease, fear, distress and freedom to express normal behavior. It also ensures that the land used for farming promote healthy soil, biodiversity and protect native species.
